

# 5 Gallon

## Pails

### \* Minimum Order Requirements \*

Pails are **only** sold in pallet load quantities. See Specifications below for more information

TranPak offers 5 gallon open-head plastic containers to satisfy your needs. Our ASTM and UN tested containers, lids & fittings can be used in multiple industries. Unmatched in design and durability, our pails made from high-density polyethylene (HDPE) resin, provides superior impact strength and compression performance.
