

Custom Pallet RFQ

This form is available to fill out as an online PDF form, or can be printed and faxed.

Email: sales2@tranpak.com
Fax: (800) 566-6523

Company: _____

1) Pallet Information

• Dimensions

Length: _____ " Inches

Width: _____ " Inches

Height: _____ " Inches

• Color Requirements

Color: _____ (Leave blank if not applicable)

• Volume

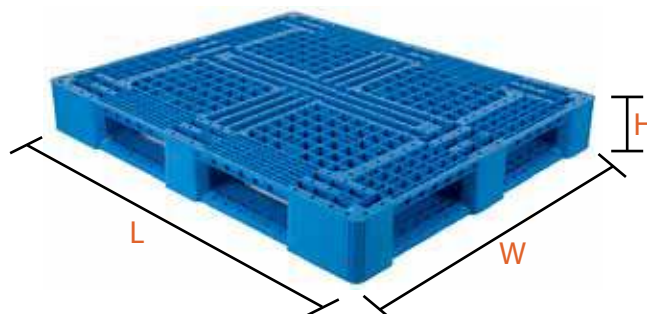

Qty*: _____
(*Minimum of 50)

• Will the pallets be used for one-way **export** shipping or in a **captive** environment?

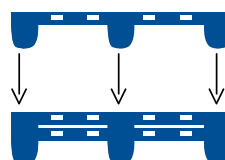

Export or Captive: _____

• Pallet Design Option

Nestable or Stackable: _____

Nestable

Stackable

2) Variance (Can the pallet be a different size?)

i.e. Length: + 2.25" inches, - 1.25" inches

• Dimension Variance:

Length: + _____ " Inches - _____ " Inches

Width: + _____ " Inches - _____ " Inches

Height: + _____ " Inches - _____ " Inches

- Higher variances to desired dimensions and color requirements allow for more flexible designs.
- Lower variances to desired dimensions and color requirements will drive cost up.

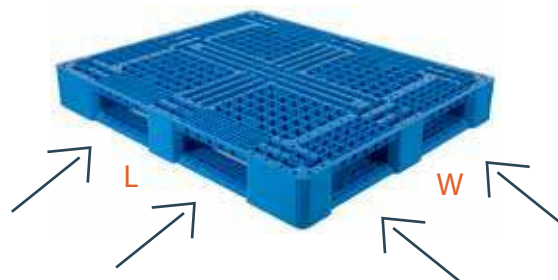

3) Do you require access to the pallet on all 4 sides?

Yes or No: _____

- If **no**, indicate which side of the pallet will require access, based on dimensions given above.

(i.e. **48" inch** side will require access)

_____ " Inch side will require access
