

64x48x34

Collapsible Bin

SPECIFICATIONS	
Item #	CB-64x48x34-01
Exterior Dimensions	64" x 48" x 34.0"
Interior Dimensions	60" x 44" x 27.7"
Load Capacity	1,500 lbs

Dimensions assume tolerance of 1/4". Volume capacities assume tolerance of 5% and tare weights assume a tolerance of 4% unless noted otherwise. Ambient temperature approximately equal to 75°F.

This collapsible bin has a superior strength to weight ratio reducing material and transportation costs for heavy-duty applications. Lower tare weight results in shipping more actual product, and therefore, higher yield at lower delivered cost of your manufactured goods.

All plastic construction for smooth operation.

Drop-Down Doors on 48" sides
Strong, durable plastic hinges allow the access door to drop flush against the container
