Searching for a large plastic pallet that can handle your oversized loads? This 86x80 stackable pallet is a great choice for your specialized needs. This pallet is durable enough to handle the toughest warehouse environments and is more than capable of handling the heaviest of loads. Contact a TranPak sales representative today to learn more.

⁽¹⁾Rated racking capacity is for standard edge racking where pallet is only supported by two points at the edges. Racking capacity for other types of racks will be different. Nominal specifications subject to change without notice. Product performance characteristics vary with application.

⁽²⁾# In A Stack: LTL (Less Than Truckload) = is based upon 96" height of standard LTL carriers. FTL (Full Truckload) = is based upon height of standard 53' trailers.
